PERSONAL HISTORY STATEMENT FORM

INSTRUCTIONS – DO NOT DETACH

Completion of this form is required by the San Bernardino County Sheriff's Department. In the case of Peace Officer Applicants, completion of this type of form is required by POST Regulation (California Code of Regulations § 1992(a)(5)). Please note, your ability to complete this form in a neat, timely and *accurate* fashion is a very important part of the background investigation process. Your background investigator will review this form with you, box by box and line by line. It is nonetheless ***your responsibility*** to make sure that you have read each question asked, that you understand each question, and you have answered truthfully and completely.

This form is used by the San Bernardino County Sheriff's Department to, among other things, determine your legal qualifications for the position for which you are applying. In addition to state or federal mandates in this area, the San Bernardino County Sheriff's Department has an obligation to itself and to the citizens of its service area to assure that persons who are not qualified for this position will be lawfully excluded from further consideration.

This form must be completed fully. Because this form differs *substantially* from other Personal History Statement Forms with which you may already be familiar, you should exercise care in answering the questions. You may not attach portions of other Personal History Statement Forms, resumes or applications in *substitution* for information required on this form.

Your Name:	Telephone Number at which you can be reached:
Agency at which you have applied: San Bernardino County Sheriff's Department	Position you have applied for:

Please be as specific as possible in your answers. Vague answers only require explanations during your interview. Please remember that there is no such thing as a perfect person or perfect candidate. The San Bernardino County Sheriff's Department is not looking for perfection; rather, an open and honest opportunity to fairly evaluate your qualifications for this position.

You are responsible for the accuracy of information on this form. It is *your responsibility* to make certain the information is complete and correct. Please note deliberate misstatements or omissions on this form will result in your application being rejected, regardless of the nature or reason for the misstatements or omissions. Read questions *thoroughly* before answering. If you do not understand a question, please ask your background investigator to clarify the question for you. Because you are an applicant for public employment, California Law (Labor Code § 432.2) specifically authorizes the San Bernardino County Sheriff's Department to require a polygraph or other lie detection examination as a condition of employment, if they so choose.

****** The Americans With Disabilities Act ******

Completion of this form is invariably required prior to the extension of any conditional offer of employment. It has been designed to avoid making inquiries about the existence, nature or severity of any disability an applicant may have. However, you should exercise care in responding to questions so as to avoid inadvertently furnishing such information.

For example, when asked about why you left a job, do not indicate if you were disabled or granted a disability retirement. You should respond with "Unable to meet job requirements" or with just "Retired" in such cases. Also, you may indicate that you had sued (or had a suit settled) as a result of an accident, but *do not* indicate (at this time) if you were injured in that incident.

PERSONAL HISTORY STATEMENT FORM

When responding to questions about any prior use of *illegal drugs*, you should identify the drug, or controlled substance used and when you *last* used the drug, but *do not* indicate how many times you might have *used* that substance. Do not furnish any identifying information about controlled substances that are lawfully prescribed to you, unless you were arrested for driving under the influence of alcohol and/or drugs. In such cases, do *not* identify the specific drug in question other than "lawfully prescribed".

NOTICE

Completing the background phase of this process may include meetings or appointments scheduled in buildings which might require climbing stairs. Do you require any special accommodation to complete this process?

No Yes The accommodation I require is:

**** Legal Questions ****

All *peace officer* applicants and others (when indicated) are required to disclose their prior involvement in illegal acts within certain specified reporting periods, regardless of any legal process which may or may not have occurred as a result of those acts. Please note, you are required to disclose acts that you have committed even if you were never caught, arrested or prosecuted. In many cases, your responses will be subject to verification by a polygraph examination and inconsistent statements you make between this document and your polygraph will undoubtedly result in your disqualification.

For questions regarding the use/possession of illegal drugs, remember that the legal term "possession" also includes *any* use whatsoever. It includes using, experimenting with, trying, ingesting, smoking, injecting or being under the influence of said drug. It also includes drugs that were in your possession, in your clothing or in your car, even if you did not 'use' them on that occasion. It would specifically include substances you *thought* were illegal drugs when you possessed them, even if they subsequently turned out to be harmless.

You are instructed to answer questions about the infractions and misdemeanors you may have committed *at any time during your lifetime*. You are also instructed to answer questions about felonies you may have committed *at any time during your lifetime*.

With respect to questions about legal processes initiated against you (detentions, arrests, plea bargains, diversions and/or convictions), you may have a legal right to answer "No" to certain of these questions as a result of the provisions of California law.

You should consult with your own attorney if you feel that you may be legally entitled to deny these processes under the law. However, the fact that a criminal conviction may have been legally expunged *does not* entitle you to deny having committed the act itself, and under certain circumstances (such as a conviction set aside under Penal Code § 1000), you may be required to disclose the conviction because you are applying for public employment in a criminal justice agency (Calif. Labor Code § 432.7).

PERSONAL HISTORY STATEMENT FORM

**** Misconduct in the Workplace ****

Your employment history is regarded by the San Bernardino County Sheriff's Department as some of the most significant information in a pre-employment background. While your present or former employers may have entered into an agreement with you to conceal prior accusations of misconduct, you should be aware that the California Courts have held some of these agreements to be contrary to the public policy of this State and therefore *illegal* and unenforceable. While such an agreement might legally entitle you to deny a specific disciplinary action taken against you by your employer, it will *not* entitle you to deny your factual involvement in misconduct. Any attempt to conceal your factual involvement in misconduct will unquestionably result in your *disqualification*. However, when your prospective employer has a legitimate opportunity to independently evaluate acts of misconduct, you will at least be given their thoughtful consideration in assessing the relevance, recency and impact of such acts. It is to your ultimate advantage to be as complete, candid and accurate as possible in all information you furnish.

Each area or distinct set of questions has a brief explanation or instructions concerning completing it. If for any reason there is insufficient room on the front of the form for you to furnish the required information, several pages have been furnished at the back of this form for this information. Please note which question number you are answering when using the back pages of this form. You may attach supplemental pages if you run out of room.

You are encouraged to make a copy of your completed form for your own records (California Labor Code § 432). This document is treated as a highly confidential document and, with the exception of an authorized criminal investigation, will not be shared with anyone outside of the San Bernardino County Sheriff's Department, polygraph examiner (if one is used in connection with this process) and background investigator(s). It becomes a permanent part of your pre-employment background file with the San Bernardino County Sheriff's Department and will not be released to any other party without your signed authorization or the order of a competent court.

**** CERTIFICATION OF APPLICANT ****

I hereby certify that I have read and understand the instructions for completing this document. I understand that I am solely responsible for the accuracy, completeness and truthfulness of the information contained on this form, and I will personally complete each item contained on this form.

Date: _____

Signature of Applicant: _____

Please download PDF and save it, before filling out. *Adobe Acrobat Reader* is the preferred program to use.

Instructions to the Applicant

The information you provide in this Personal History Statement will be used in the background investigation to assist in determining your suitability for the position of **California Peace Officer**, in accordance with POST Commission Regulation 1953.

- It is your responsibility to complete this form **in its entirety** and provide **accurate and truthful responses**.
- Following instructions provided by the hiring department, type or neatly print in black ink.
- You must respond to all items and questions. If a question does not apply to you, write "N/A" (not applicable) in the space provided for your response.
- If you need more space for any response, use the supplemental information page on the last page of this form (page 33) and identify the additional information by the question number.
- Following instructions provided by the hiring department, submit the completed form to your background investigator or the agency to which you are applying. Do NOT send the form to POST.

Disqualification

There are very few **automatic** bases for rejection. Even prior instances of illegal drug use, driving under the influence, theft, or even arrest or misdemeanor conviction may not be, in and of themselves, automatically disqualifying. However, **deliberate misstatements or omissions** can and often will result in your application being rejected, regardless of the nature or reason for the misstatements/omissions. In fact, the number one reason individuals "fail" and/or are disqualified during the background investigation is because they deliberately withhold or misrepresent job-relevant information from their prospective employer.

BOTTOM LINE: You are responsible for providing complete, accurate, and truthful responses.

Disclosure of Medically-Related Information

In accordance with the U.S. Americans with Disabilities Act, the Genetic Information Nondiscrimination Act (GINA), and the California Fair Employment and Housing Act, applicants are not expected or required to reveal any medical or other disability-related information about themselves or their family members in response to questions on this form.

I have read and I understand the above instructions.

On September 30, 1996, Title 18 United States Code § 922 (g)(9) took effect. This section of the United States Code **PROHIBITS FOR LIFE** the possession of **ANY FIREARM OR AMMUNITION** by any person who has been convicted of a **“Misdemeanor crime of domestic violence.”**

As defined by the Federal Law, a “misdemeanor crime of domestic violence” means an offense that:

The Bureau of Alcohol, Tobacco and Firearms has issued an opinion interpreting the new federal statute to include any offense, whether or not explicitly described in the statute as a crime of domestic violence, which has, **as its factual basis**, the use or attempted use of physical force, or threatened use of a deadly weapon committed by the victim’s current or former domestic partner, parent, or guardian.

I, _____ have read and understand the above information. I understand that any conviction of any crime or offense which is outlined in the above information, no matter how old, prohibits me from possessing any firearm. ADVISEMENT TO APPLICANT

The purpose of a pre-employment background investigation, for all intents and purposes is to verify that the application you have submitted and any statements you have made to the San Bernardino County Sheriff's Department concerning your qualifications are true.

The California Courts have held that an employer has a legal duty to know the persons whom it employs. In some cases, California law may mandate a background investigation before employment, while in other cases it is merely a case of public policy or prudence before placing someone in a position of public trust.

Both State and Federal Courts have also held that there is an absolute necessity for public employees to be truthful. You must understand that a lack of truthfulness or deception of any type on your part will automatically and irrevocably result in your application being rejected from further consideration.

For some people, there may be one or more incidents or occurrences in their background which they regret or over which they may feel some embarrassment. A prospective employer will not make inquiries into areas of a person's background which have no legitimate bearing on their qualifications for the job. However, you should understand that the mere presence of so-called "negative" information in you background is not automatically disqualifying. For example, an applicant may have engaged in petty thievery as a child, have used illegal drugs, may have been fired from a job or even have been convicted of a crime as an adult. While these things, in the and of themselves, may not automatically remove that person from consideration for a job, lying about them will.

A pre-employment background investigation is not intended to be an intimidating experience of an unwarranted invasion into your privacy. Your background investigator will contact persons who know you, including present and/or former employers, and will examine official documents and records concerning you to assure that you have been honest in your application in order to fulfil the legal mandates imposed by the Courts and the Legislature. The more forthright you have been, the greater the likelihood that your background can be completed in a timely and successful manner.

CERTIFICATION

I understand that any false statements and/or deliberate misrepresentations, whether by omission or commission, will result in my application being automatically and irrevocably rejected from further consideration. I certify that I have read the above statement, understand its contents and have been furnished a copy of it.

ADVISEMENT OF CRIMINAL CONDUCT

Section 1031 of the California Government Code prohibits the employment of persons who are not of good moral character or who are not psychologically or medically fit to serve as peace officers. This legal provision applies equally to persons seeking employment or appointment as peace officers, as well as to persons already employed or appointed as peace officers, seeking employment or appointment in another jurisdiction.

STATEMENT

You will undergo an extensive, in-depth background investigation to determine your fitness for this position. During the course of this investigation, if you provide or if we discover, information of criminal misconduct or suspected criminal misconduct, you should be aware that this agency will forward all such information to the appropriate law enforcement agency of jurisdiction.

CERTIFICATION

I certify that I have read this advisement, and understand that by submitting the information necessary to process this application, that I am in essence waiving rights which I may have under State and Federal law, pertaining to my originally submitted information in this application process. I understand that if any statutorily enforceable criminal misconduct information becomes known during interviews with me, that I will be advised of my legal rights before any questioning on those issues.

I understand that my fingerprints will be submitted to the California Department of Justice and the Federal Bureau of Investigation for comparison and classification on the day I submit my completed package of information. I realize that this process will permanently record my application process with those agencies.

Further, I fully understand that if the conditions described in the above statement section arise, I will likely be disqualified from further consideration for said employment or appointment.

INFORMED CONSENT AND RELEASE

I fully recognize under California Law, individuals must clearly demonstrate their personal, medical, and psychological fitness to serve in the position of a Peace Officer. I further recognize that an employing agency has both a legal and moral obligation to make every reasonable effort to ensure that any person employed by them as a peace officer will conform to the very highest standards.

I understand that I am authorizing an intensive investigation into all aspects of my personal, medical and psychological fitness, and that such an investigation will include contacting persons and/or organizations who have information relating to my fitness, including if I am or have been a peace officer in California, information protected under § 832.7 of the Penal Code and § 1043 of the Evidence Code.

I further recognize that although some of the information contained in this investigation is a matter of public record, or would otherwise be accessible to me, this information will be inextricably interwoven with other confidential data to which I would otherwise not be privy. I have also been informed that because this background investigation is mandated by law, responses from persons contacted, whether solicited or unsolicited, enjoy absolute privilege under the law, pursuant to California Civil Code § 47. This information may be shared with my prospective employer or any other governmental agency upon authorization.

Therefore, I exonerate, release and discharge the San Bernardino County Sheriff's Department, their officers, agents, or assignee, now and in the future, from any claim or damages, whether in law or in equity, on behalf of myself, my heirs, agents, or assignee, for their refusal to make available any and all information contained in this pre-employment investigation, including but not limited to the identity of any person or organization who may have supplied information in the course of this investigation, as well as the substance of any such information supplied which might identify that person.

I fully waive my right to receive any public record obtained during this background investigation.
(INITIAL)

I have had adequate time to review this form, I understand its meaning and purpose, and have been furnished a copy of it pursuant to California Labor Code § 432.
